

OUTPUT

The image displays two sequential screenshots of a web browser window showing an "Admin Login" page. The browser's address bar indicates the URL is `localhost:8082/Administartive-Portal-For_Leaner-academy/login.jsp`. The page features a light gray background with a central yellow-bordered login form.

First Screenshot: The login form is empty. It contains the following elements:

- Username :** A text input field with the placeholder text "Enter Username".
- Password :** A text input field with the placeholder text "Enter Password".
- Login**: A green button with white text.
- Remember me**: A checkbox that is checked, with the text "Remember me" next to it.

Second Screenshot: The login form is now populated with data:

- Username :** The text input field contains the value "admin".
- Password :** The text input field contains masked characters, represented by ".....".
- Login**: The green button remains visible.
- Remember me**: The checkbox remains checked.

Both screenshots show a Windows taskbar at the bottom with the system clock displaying 1:58 PM on 02/01/2022. An "Activate Windows" watermark is visible in the bottom right corner of the browser window.
